MEMORANDUM FOR THE RECORD:

SUBJECT: Transistors for use in Agency Development Programs

ACTION : OC-E

1. It has been agreed between [redacted] of the Office of Technical Services and the undersigned of this Office that there was need for a coordinated attempt to obtain transistors through EPRA for use in the various internal and external development programs conducted by both Offices which could make use of these new components.

50X1

2. In view of this agreement, OC-E is directed to prepare a listing of transistors by type number and manufacture which is to be submitted to OC-2 not later than 1 September 1952. This listing must contain, in addition to the above information, the project by name and number for which the components will be used. A summary noting totals for each type number required and a schedule for delivery will be attached to this listing.
